

# Don't CUT training- ADD training!

**What better use of your CARES Act dollars than to provide essential training directly to your team and/or tribal members?**

## When Opportunity Knocks... What Will You Do?

You have the opportunity to use your CARES Act dollars towards essential online training that includes pandemic related courses for your employees, leaders and tribal members! Our online training is safe, professional, individualized, effective, low cost and available NOW.

Get access to timely and relevant pandemic and recovery related training- all safely offered online and on demand! In addition to the many CARES Act qualifying pandemic related training courses, each training license includes access to thousands of other personal development training titles in our packages provided through TribalWise and our online training content partner SkillsSoft. You have the opportunity to provide direct value to your employees and/or tribal members with your CARES Act funding with a professional training solution that meets the needs of individual learners, including online books, audio books, online courses and videos.
