

TRIBALHUB

connection. growth. opportunity.

Dear _____,

I am requesting approval for us to become a member of TribalHub. TribalHub is both a valuable resource and the largest nationwide network of technology minded leaders from tribes and tribal enterprises. A TribalHub membership will immediately increase our access to more connections, information, resources and opportunities that will support our team and our continued success.

Our membership provides us with numerous direct benefits, and we also will proudly join the entire nationwide community of technology minded professionals at tribal nations in supporting TribalHub's continuing efforts to bring more resources, regional events, webinars and valuable connections to all tribal communities..

TribalHub members all receive the following direct benefits:

- Access to TribalHub's information portal with 20+ years worth of searchable industry contacts, data, survey results, research reports, and more.
- A members only library with access to technology policies & procedures, RFP documents, benchmarking comparisons and more.
- Monthly Industry Insights Reports sent to members with exclusive Native American industry data, summaries and tips from industry experts.
- A 12 month free online learning package with access to over 200 courses on relevant business and technology topics.
- Exclusive member discounts, including the TribalNet Annual Conference & Tradeshow attendee pass.
- Accurate contact information for key service/solution providers supporting tribal entities through the TribalHub information portal.
- VIP experience at the TribalNet Annual Conference PLUS white glove support and services from the TribalHub Membership team year-round.

The annual cost of membership is very reasonable for the value provided, and TribalHub offers a membership type for tribes and tribal enterprises of all sizes. There are three membership pricing options that are attached in the benefits overview page - an "**Individual Membership**" is just \$795 annually; a "**Group Membership**" (which includes up to 4 members) is only \$1,595 annually; and an "**All-In Membership**" (which includes up to 20 members) is only \$3,995 annually.

I am requesting approval for a _____ membership for our organization.

Please let me know if you require any additional information to approve our TribalHub Membership. I would like to get our team connected and able to benefit from this valuable resource as soon as possible.

Sincerely,
